

STOCKHOLM

INSTRUCTION MANUAL

Stockholm has a 3 step dimming system.

When touching the on/ off brass point, the lamp will light up in 3 different light settings.
During charging, there is a small indicator next to the USB-C port that will light red. After fully charged, the light indicator becomes green.

Charging time: 4-5 hours

Working time : 7 hours (depending on what light setting, full light approximately 7 hours)

Please remember in case the lamp has not been used for 2-3 months, that the batteries might need to be recharged.

Material: Metal/ handmade glass

Use in- and outdoor (IP44)
